

### REMARKS

Claims 1 and 2 - 12 remain in this application, claim 12 being newly presented.

Applicant thanks the Examiner for finding allowable subject matter in claims 2, 3, and 8 - 10.

Applicant has amended claim 1 to incorporate the limitations of claim 2. Therefore claim 1 as amended is allowable and claims 3 - 7 and 11, all depending from claim 1, are allowable as well.

Claim 8 originally depended from claim 1. Applicant has amended claim 8 to independent form and includes all of the limitations of claim 1 present in original claim 8. This amendment should make claim 8 allowable. Claim 9, which depends from claim 8, should also be allowable.

Claim 10 originally depended from claim 1. Applicant has amended claim 10 to independent form and includes all of the limitations of claim 1 present in original claim 10. This amendment should make claim 10 allowable.

Applicant has added a new claim 12 that depends from claim 8. Claim 8 is presumably allowable, so claim 12 should also be allowable.

In view of the foregoing applicant believes that all of the claims present in this application now contain allowable subject matter. Applicant respectfully requests the Examiner to so rule and pass this case to issue.
